Dartmoor 10 Tors 1 Day

Dartmoor 10 Tors 1 Day

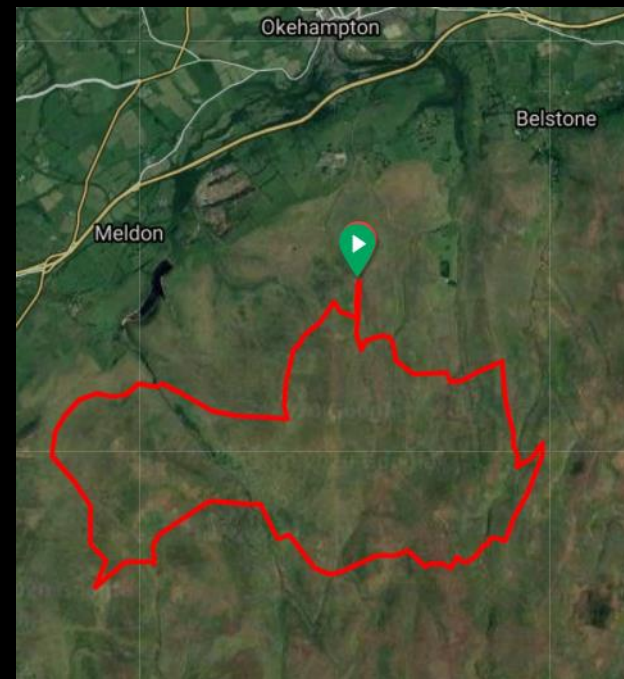

We will meet you at one of our favourite places for breakfast for a safety briefing and kit check, maybe a bite to eat too before we leave behind the comforts and head out onto the open moor.

Ahead of us lies wilderness, the famous Tors touching the horizon as far as the eye can see. We'll conquer 10 Granite monuments along our way. Streams and marshes will also need to be crossed, under the watchful eye of Dartmoor's wild ponies.

We'll walk in the footsteps of our ancient ancestors and beside many thousands of years old, and more modern remains of mines and huts hundreds of years old.

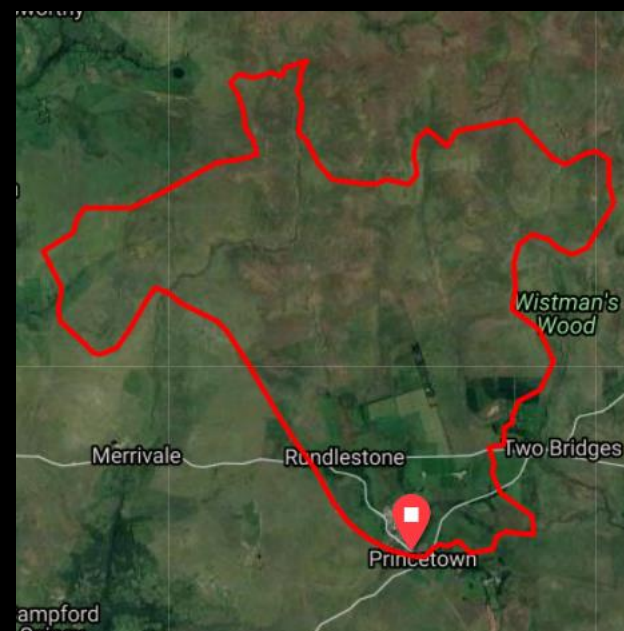

With a little luck lunch will be atop a Tor bathing in sunshine before we return to our vehicles and visit the best local pub afterwards.

Dartmoor is home to over 250 Tors although some much more spectacular than others.

Our two route outlines are designed to conquer the best! And be achievable for a person of good fitness

Routes are approximately 30km and as always the route can be tailored to your needs.

Both these outlined routes are designed to also take on some of Dartmoors iconic off the footpath terrain, river crossings, marshes, tussock and boulder fields

This route will be adapted on the day to suit your fitness and the weather conditions.

Dartmoor is very exposed with few opportunities for shelter. Whatever the weather we will feel all of it. You must follow our kit list

Before signing up to this challenge you should be confident you can walk over rough and wet terrain for several hours in poor weather conditions

Okehampton

We'll meet you in a historic pub for breakfast before we take a short drive onto the moor. Our first Tors will be simple enough before we leave the beaten paths and head off piste in a landscape steeped in history and folklore.

Full range of accommodation options available in Okehampton – Possible to walk directly from Okehampton although this adds 10km approx

Princetown

We'll walk straight from breakfast, our first Tors are along well used paths which will get us into the rhythm of things before we stray away, being mindful of the bogs that would have caught out ancestral moorland peoples too

We will return directly into Princetown and usually directly into one of the 2 outstanding pubs in the village that also offer excellent accommodation rates

Getting There & Getting Home

T.A.S.S Transfers/Full works package

The easiest option is to meet us in Exeter. Travel there by car, plane or train and we will take care of the rest, and get you back there too

By Public Transport

Take the train to Exeter St Davids or Plymouth – From here take a bus or taxi to Okehampton or Princetown (Bus Approx. 1hr 10min)

By Car

Okehampton we will either meet at the YHA by the train station (seasonal service) or if you have stayed in town we will meet at the White Hart Pub on Fore Street.

We highly recommend taking a short drive from Okehampton to the Okehampton military firing range. Walking from town adds at least 10km to the route

Princetown We will meet outside the prince of Wales pub. Please note Princetown Car Park is Pay and Display.

Remember to allow yourself enough time to travel to and from the event – Typically we will conduct our pre event briefing at 8:00am – We aim to arrive back to our vehicles no later than 5pm.
